**NOTE:** The accuracy of the location of the land status areas may vary according to the scale and mapping accuracy. Areas of private land within Crown Land may not be shown. The precise locations should be verified with Crown Land & Assets if access to the land is proposed.

Where the Licence Application abuts unavailable land, the Licence boundary is defined by the boundary of the Unavailable Land. Discrepancies on this plan between the boundaries may be due to scale and mapping inaccuracy.

The Licence does not include Crown land other than roads and road reserves.
